

## Three Reasons Why You Should Attend PTA Meetings

### 1. Set a Good Example for Your Child or Grandchild.

Your attendance at the PTA meetings shows your child the value of following through on commitments, even ones that are unspoken or informal.

**2. Become Informed About What is Happening at School.** PTA meetings are generally informative, so they give you an update on upcoming events and changes regarding school events and policies. Important announcements are made, giving you first-hand access to events or changes that affect your child and his academic life.

**3. Make a Difference in Your Child or Grandchild's Academic Life.** When you attend the meetings held at your school, you show your child that you care about what happens during the school day. Your attendance shows that you want to be involved in the decisions that are made.

**Join us! The next PTA meeting is Tuesday, October 13th at 9:15am in the Cafeteria.**

Your much appreciated donation is tax deductible, and our goal is \$2000 by the end of December 2015. Please keep in mind you are welcome to contribute throughout the year and every dollar helps.

We will be tracking our progress on the "Giving Tree" located near the main office, so check back often to see how our tree is growing!
